Overcoming the Fear of Innovation

Justin Gernot
Justin Gernot
Vice President, Healthbox
Microsoft, Providence St. Joseph partner on long-term cloud innovation project

The health system will use Azure as its preferred platform and will deploy emerging technologies from Microsoft at an affiliated hospital facility in Seattle, near the technology giant’s Redmond headquarters.

Key Steps to Innovation...

- Perspective
- Process
- Pace
OUR MISSION IS TO EMPOWER THE REINVENTION OF HEALTHCARE.

AS OF 2018, WE’RE WORKING TOWARDS IT AS PART OF THE HIMSS FAMILY.
The Healthbox Process: Foundry

- **Align** (MONTHS 1-5)
- **Uncover** (MONTHS 5-7)
- **Inspire** (MONTHS 8-10)
- **Assess** (MONTHS 11-12+)
- **Accelerate**
- **Build**
- **Test**
- **Scale**
